"Fortuna Auto Expo" coverage to air "Almost Live" Award winning producer works with local students to show off local event

Eureka, California - A half hour "instant replay" video of the opening events and featured participants of this year's Fortuna Auto Expo will air Saturday on Access Humboldt, cable channel 11.

The program is the result of a collaboration between Access Humboldt and the County's Step Up employment program - creating digital media work opportunities for local youth.

Award winning producer, Jan Kraepelien will host the program along with Jo Ann Sapper, Workforce Investment Act Youth Development Services Coordinator for Eel River Region. Students from Humboldt State University and Fortuna High School District will help with production of the program.

The instant replay video will feature Friday evening's opening car parade at the Auto Expo, along with Saturday morning activities. The program is "almost live" and a great, timely way to peruse the Fortuna Auto Expo before attending yourself.

Airings are scheduled for Saturday afternoon and evening at 1:00, 1:30, 2:00, 2:30, 8:00, 9:00 and 10:00pm on channel AH-11.

For more information contact Access Humboldt - 707-476-1798.
